

# EduRise Implementation Approach

We work within the education system and in partnership with all key role-players. This means the programme is introduced in annual stages based on a school's commitment and if they have met yearly goals.

	Year 0	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
	Schools selection and baseline assessment	Capacitate SMTs and build community of practice					
		E-learning & workshops, Maths, Natural Science, Technology, Foundation Phase, Physical Education					
			Creative Arts & Eco-Schools				
		Assessment (Maths Grade 3 & Grade 6)					
		Physical Education					
		Youth Leadership Programme					
		Capacitate SGBs					
		Formation of PAC	Parental involvement				

**Key**

Management & Leadership Development

Educator Development

Parent & Community involvement

Learner Development
